

Class Actions and Group Litigation

Recent surveys confirm that the most important trend in corporate litigation lies in class actions. The number of class actions filed is rising across many industries. We're ready to capitalize on the most recent court rulings and other legal developments to best defend you.

Hogan Lovells has a strong track record helping clients combat adverse publicity, achieving early dismissals, defeating class certifications, and securing the most advantageous forums in proceedings. We also know how to try class claims and have done so with great success. Our deep regulatory know-how enables us to strategize and understand your class action problem to a depth that others cannot match.

Representative experience

Won a complete defense verdict for Anthem, Inc. in class action trial in connection with its US\$1bn demutualization and IPO.

Secured the dismissal of two putative class actions filed against Daimler Trucks North America and Freightliner LLC alleging antitrust violations.

Defeated class certification in a lawsuit in which plaintiffs sought recovery from LG Electronics, alleging nationwide RICO and consumer fraud act claims.
