

Matthias Hirschmann, LL.M. (LSE)

Partner
Hamburg

Biography

Through his years of focusing on the energy sector, Matthias Hirschmann has gained substantial knowledge of the energy industry (particularly in the oil and gas sector) and focuses on advising on specific legal challenges and issues in the energy sector.

Matthias concentrates on all relevant aspects in the energy sector, particularly in relation to national or international M&A transactions, acquisitions, joint ventures and general energy law and regulatory advice.

He has vast experience in advising on all regulatory matters relevant to the energy sector.

For years, Matthias has been recognised as a leading lawyer for M&A transactions, corporate law and energy sector related advice – by *JUVE*, *Chambers*, *Legal 500* and *Best Lawyers*.

Matthias heads the German Energy and Renewable Resources practice group.

Representative experience

Advising on various projects and transactions in the cleantech sector, in particular on the acquisition of various wind parks and on the sale of a biomass plant.
